REVIEW/SELECTION PROCESS

A College Summer Internship Committee is responsible for selecting interns. The Committee considers all information and completeness of applications. Selection is a competitive process as if applying for employment. The Committee ranks each application in a variety of categories, including: neatness of application packet, scholastic achievement, cover letter, and interview.

COLLEGE SUMMER INTERN PROGRAM GUIDELINES

1. **COMMUNICATION** – Summer Interns must notify the Human Resources Manager immediately if there is a change to their mailing address, institution/program attending, or enrollment status (full-time vs. part-time).
2. **TRANSCRIPTS** – Summer Interns must provide a transcript at the beginning of their internship. If an Intern fails to submit his/her transcripts to TKC, the anticipated intern start date may be delayed or the intern may be placed on probation until requirements are met. If requirements are not met by a date specified by the Human Resources Manager, the intern may be separated from the program.
3. **GRADE POINT AVERAGE (GPA)** – Summer Interns must have a cumulative 2.0 grade point average (GPA). Applicants with a GPA lower than 2.0 will not be considered for the program.
3. **ENROLLMENT STATUS (FULL-TIME TO PART-TIME)** – Summer Interns must demonstrate proof that they are either 1) enrolled full-time (a minimum of 12 credits for undergraduate students and 9 credits for graduate students) in a college degree program for the fall term 2018 or 2) will graduate from a undergraduate or graduate college degree program in the spring of 2018. Applicants that do not have proof that they are either enrolled full-time in a college degree program or on track to graduate from a college degree program will not be considered.

A move to part-time status will result in the Summer Intern being placed on probation and potentially separated from the program. Interns may be exempt who fail to maintain their full-time status due to situations beyond their control, such as a death in the family, illness, or a family emergency. A Summer Intern seeking an exemption is responsible for notifying his/her direct supervisor and the Shareholder Development Manager of the extenuating circumstances. The supervisor and Human Resources Manager will determine exemptions on a case-by-case basis.

4. **DROP-OUT** – If a Summer Intern drops out of school before the end of his or her internship, TKC will require that the intern be separated from the program. Interns may be exempt who fail to attend or drop out due to situations beyond their control, such as a death in the family, illness, family emergency, etc. An Intern seeking an exemption is responsible for notifying his/her direct supervisor and the Human Resources Manager of the extenuating circumstances. The supervisor and Human Resources Manager will determine exemptions on a case-by-case basis.
8. **ORIENTATION** – All supervisors will provide orientation for Summer Interns during the first week of employment. The orientation will include the following:
 - an explanation of TKC policies to include work rules, proper work attire, attendance/punctuality requirements, etc.;

- information on job assignments and all aspects of the tasks and expectations;
- a review of the job description and performance evaluation criteria (the supervisor will conduct the performance evaluation);
- discussion about the importance of participating in company meetings, events, and training conferences;
- host site expectations;
- introduction to co-workers and a tour of the facility; and
- a contact person will be provided to the intern if they have any follow up questions.

The Human Resources Manager will also provide an orientation to the Summer Intern program, reviewing the program policies, guidelines and procedures.

9. **WORK SCHEDULE** – Interns hours can vary on a case-by-case base. The number of weeks and the specific dates a summer intern work will be determined on a case-by-case basis to accommodate the Interns academic calendar and the host site. TKC expects the intern to be reliable and punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on TKC. Typically not to exceed 8 weeks.
10. **PAY & BENEFITS** – The pay scale is based on a competitive intern wage. The wage for undergraduate and graduate students depends on experience (D.O.E.). Summer Interns do not qualify for benefits. One-time roundtrip airfare for Interns that must travel a long distance to their work location may be provided at the discretion of Human Resources Manager.
11. **MONITORING** – The manager of the department will be responsible for monitoring employment progress. Formal feedback will be given to the Intern over the summer. If performance falls below a satisfactory level, the Summer Intern will either be placed on probation or separated from the program. Interns are directly supervised by a staff member in the department they are interning in. The same job performance standards and time and attendance regulations that apply to “regular” employees also apply to Summer Interns. Summer Interns will receive a copy of the Employee Handbook upon hire. The Human Resources Manager will monitor Summer Interns’ GPAs, credits taken, and hours worked.
12. **TERM** – The Spring & Summer Internships are designed to accommodate Intern’s school schedules and therefore, last between 6 - 8 weeks, depending on the Intern’s academic calendar. There is no guarantee or contract for employment or an internship for this duration. No one other than the Intern Committee or Human Resources Manager may change these conditions.
13. **COMPLETION** – The Summer Intern has no obligation to return upon graduation to TKC, nor does TKC have an obligation to hire the Intern once he or she has graduated.
14. **EXCEPTIONS** – Exceptions to these policies may be justified and granted by the Intern Committee as needed.
15. **PAY SCALE** – Hourly wage range.

Freshman	\$12-\$13
Sophomore	\$13-\$14
Junior	\$15-\$16
Senior	\$16-\$18
