21. Terms, Conditions & Restrictions

Class "B" stock will have the same ANCSA restrictions as Class "A" stock. For example: the new stock cannot be sold, pledged, assigned or taken away by creditors. Like Class "A" stock, Class "B" stock will not have preemptive rights to purchase additional stock in The Kuskokwim Corporation (TKC).

Acceptance of Class "B" stock constitutes acceptance of the following terms and conditions by the shareholder and their custodian: The 1991 amendments allow the Board of Directors to place additional terms and conditions on new stock.

The Class "B" stock shall have a right to vote.

The Class "B" stock shall be "life estate," which means it only lasts as long as the shareholder owning the stock is alive. After the death of that shareholder the stock is cancelled without compensation to their heirs. That means that even though Class "A" stock is inheritable, Class "B" stock will not be inheritable, nor transferable by gift.

The Class "B" stock, inchoate rights thereto, and the right to receive dividends and distributions may not be sold, pledged, assigned in present or future, transferred by gift or otherwise transferred except as permitted under ANCSA.

Class "B" stock will be cancelled by TKC if it is later determined that the recipient was not eligible to receive the stock or if the stockholder violated any condition of holding the stock.

Other terms and conditions hereafter approved by TKC Board resolution and other legal requirements.

22. Certification and Release of Information

I understand that intentionally entering untrue information on this application is the crime of forgery in the first degree under AS 11.46.500, which is a class B felony, and forgery in the third degree under AS 11.46.510, which is a class A misdemeanor.

I have read and accepted the terms and conditions of Class "B" stock as stated in Section 21 of this application.

I hereby authorize TKC to verify enrollment eligibility with other sources, including but not limited to ANCSA Regional and Village Corporations, the Bureau of Indian Affairs, and federal, state and local agencies. This authorization is limited to the purposes of ANCSA and Shareholder enrollment and all information will otherwise be kept confidential, unless disclosure is required by law. Documents authorized for release by TKC include, but are not limited to birth certificates, Social Security Numbers, and affidavits. I understand that any false or misleading statement, or intentional omission made in this application will be grounds for The Kuskokwim Corporation to deny this application or revoked the issuance of stock. I understand that submission of this application does not guarantee my enrollment as a Shareholder of TKC and that required verification documents must be submitted (as original certified copies or electronic submissions thereof), before the application will be processed.
