

## Connect TKC Internet Accessibility Program TKC SHAREHOLDER HOUSEHOLD APPLICATION

---

The Kuskokwim Corporation (TKC) is working on broadband internet networks within our 10 communities in the Middle Kuskokwim. Infrastructure of this magnitude will take years to complete.

**To bridge the connectivity gap as soon as possible, TKC will provide access to Low Earth Orbiting (LEO) Satellite constellations, notably Starlink, to any TKC Shareholder households that would not otherwise be able to access affordable, reliable internet. TKC will provide the Starlink units, installation (upon request), and training materials at no cost to TKC households. TKC shareholders who receive the Starlink units will be responsible for all monthly internet charges, service fees and costs, and maintenance.**

Connect TKC Starlink units will be distributed after April 17, 2023.

### Eligibility Requirements:

1. Applicant must be a The Kuskokwim Corporation (“TKC”) enrolled Shareholder or his/her guardian or custodian.
2. TKC will provide/ship/install only one (1) Starlink unit per Shareholder household that applies under the Connect TKC Internet Accessibility Program.
3. This is first-come, first-served program, subject to funding availability and approval by TKC’s Board of Directors.
4. Applications for TKC Shareholder households may be mailed, emailed, faxed, or returned to TKC’s Anchorage Office.
